

Acer S200HL LCD Monitor DVI Input Replacement

This replacement guide will describe the steps to remove the DVI input cable.

Written By: Jeffrey Kong

INTRODUCTION

The DVI input directs signals from the computer to the motherboard.

PARTS:

- [DVI Connector](#) (1)
-

Step 1 — Removing the DVI Connector

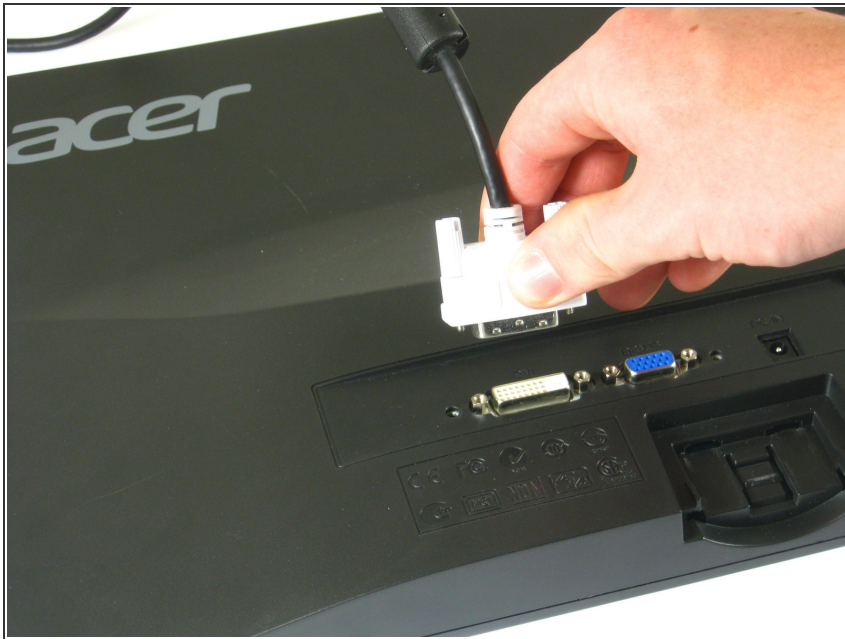

- Place the monitor screen face down.

Step 2

- Unscrew the fasteners to the DVI input connector.

Step 3

- Gently pull the DVI connector away from the monitor.

To reassemble your device, follow these instructions in reverse order.
